Adult Dogs are Priceless at San Diego Humane Society

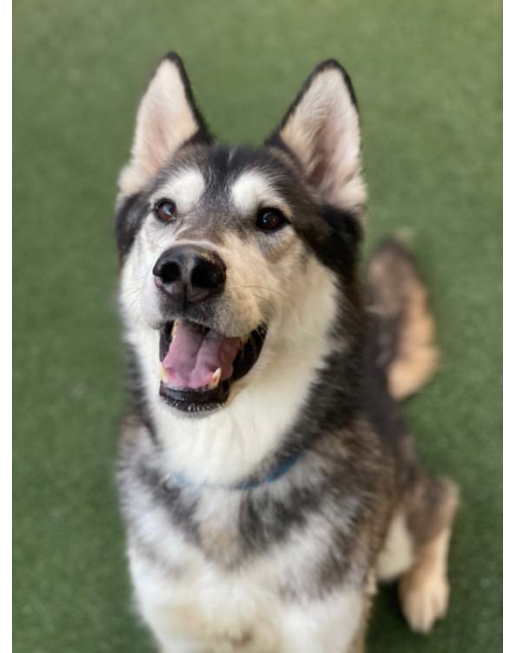

Adopt any adult dog (7 months and older) for an adoption fee of your choosing Nov. 18-20

SAN DIEGO — Whether you are looking for an energetic dog, lazy dog, large dog, small dog, purebred or mystery mutt, chances are San Diego Humane Society will have the perfect canine personality to fit your needs! This coming weekend, Friday, Nov. 18 to Sunday, Nov. 20, the organization will let adopters name their price for adult dogs (7 months and older).

Out of 650 animals available for adoption, 230 are adult dogs at San Diego Humane Society. “We have an incredible amount of adult dogs in our care and we are running out of space,” said San Diego Humane Society Chief Operating Officer Jessica Des Lauriers. “We would love to see these deserving pups in homes where they belong instead of kennels. Even a shelter as great as ours can’t compare to the comfort of a home.”

When you adopt from San Diego Humane Society:

- You help create space in the shelter for other animals in need.
- You get an animal who has been assessed and cared for.
- Your pet has been spayed/neutered and vaccinated.
- San Diego Humane Society offers an adoption guarantee, training advice and educational information for the life of the animal.

San Diego Humane Society is open for walk-in adoptions Tuesday – Sunday, 10 a.m. – 5 p.m. at its campuses in Escondido, El Cajon, Oceanside and San Diego. To view animals currently available for adoption, visit sdhumane.org/adopt.

Members of the community who are unable to adopt a pet can still make a difference and help San Diego Humane Society create space in their shelters by:

- **Fostering a pet.** By becoming a foster volunteer, you give an animal a temporary break from the shelter and create space for other animals with nowhere else to turn. Sign up at sdhumane.org/foster.
- **Use rehoming resources.** If a person needs to give up their pet, San Diego Humane Society offers rehoming tools that allow them to find their animal’s new family themselves — skipping a trip to the shelter. Visit sdhumane.org/rehome.
- **Reuniting stray animals directly with their owners.** By searching for the lost pet’s family in their own neighborhood and on social media. Visit sdhumane.org/found for tools and resources to help a lost pet find their owner.
- **Planning ahead.** Due to limited space, [an appointment may be necessary to relinquish your pet](#). If you know you will need to give up your pet due to a move or other planned situation, make arrangements with San Diego Humane Society as early as possible. This will ensure space remains available for animals in urgent need.
