## **Emaciated, Neglected Dog Found in San Pasqual Valley**

*SDHS Asks the Community for Information in Animal Cruelty Case*

**SAN DIEGO** — [San Diego Humane Society](#) is looking for information to identify the person responsible for severely neglecting and abandoning a dog in Bandy Canyon in San Diego on Friday, March 1.

A Grove Manager at Bandy Canyon discovered the dog early this morning. The male dog appears to be a pit bull mix about 2 years old. The dog was immediately transported to San Diego Humane Society's Escondido Campus for medical treatment.

The dog weighed less than 20 pounds and was extremely dehydrated with a low temperature. He also had pressure sores on his hips and knees. Our veterinary team immediately began administering IV fluids and placed the dog on a heated bed to adjust his temperature. Because of the critical condition of the dog, this is a felony animal cruelty investigation by San Diego Humane Society's Humane Law Enforcement.

Crime Stoppers is offering a reward of up to \$1,000 for information that leads to an arrest in this case. If anyone has information, leads can be reported through an anonymous tip line at 888-580-8477 or visit the Crime Stoppers website at [sdcrimestoppers.org](http://sdcrimestoppers.org) for more information on how to send anonymous web and mobile app tips. Information can also be reported to San Diego Humane Society's Humane Law Enforcement by calling 619-299-7012.
