San Diego Humane Society Offers Free Microchipping in May

SAN DIEGO — In honor of Chip Your Pet Month, San Diego Humane Society is offering free microchipping at upcoming vaccine clinics in May at the following times and locations:

**Escondido Campus:** 3500 Burnet Drive
- Sundays in May from 8-10 a.m.

Oceanside Campus: 572 Airport Road
- Wednesdays in May from 10 a.m.- noon

San Diego Campus: 5500 Gaines St.
- Thursdays in May from 10 a.m.- noon

Microchips will be available while supplies last, so arriving early is recommended. If your pet is already microchipped, please make sure your contact information is current. Microchips are always available at all campuses (no appointment necessary) for $15.

If your pet does go missing, ensuring your pet is microchipped will assist in a quick reunion. San Diego Humane Society also utilizes a facial recognition app, Finding Rover, to quickly reunite lost dogs and cats with their owners. Be sure to register your pet's photo on Finding Rover. It's free!

B-roll of microchipping is available here: http://bit.ly/2IRE35j.

Suggested Tweet: In honor of #ChipYourPetMonth, @sdhumane is offering FREE microchipping at their vaccine clinics in May. Protect your pet! See dates and times here: http://bit.ly/2J4gWnd.

About San Diego Humane Society
San Diego Humane Society's scope of social responsibility goes beyond adopting animals. We offer programs that strengthen the human-animal bond, prevent cruelty and neglect, provide medical care, educate the community and serve as a safety net for all pet families. Serving San Diego County since 1880, San Diego Humane Society has campuses located in Escondido, Oceanside and San Diego. For more information; please visit sdhumane.org.
