Help Fill the Bins for PAWS San Diego Pet Food Drive
Support pet families in need by making a donation of dog or cat food

What: With the help of partners and elected leaders across San Diego County, PAWS San Diego is hosting a pet food drive to support low-income pet families. We are asking members of the community to bring unopened dog and cat food to participating locations.

This year alone, PAWS San Diego will provide more than 1.7 million pet meals to families who are low-income, living with chronic illness or disability, or experiencing homelessness. Since just last year, PAWS San Diego experienced a 45% increase in clientele, making the need for this food drive even greater.

PAWS San Diego, a program of San Diego Humane Society, helps people keep their pets by providing essential pet services and support to low-income pet families. Thanks to generous support from the community, PAWS San Diego is able to help loving pet owners keep their best friends happy, healthy and by their sides.

Items We Need:
- Unopened Dog Food (wet and dry)
- Unopened Cat Food (wet and dry)

When: Friday, Nov. 1 – Friday, Nov. 15, 2019

Where: Participating locations across San Diego County
