San Diego Humane Society Waives Adoption Fees for All Adult Dogs

San Diego Humane Society reduces adoption fees for adult animals Feb. 11-13, 2022.

SAN DIEGO — San Diego Humane Society is waiving adoption fees for all adult dogs April 1-3, 2022. There is currently a large number of dogs available for adoption at the organization's campuses in El Cajon, Escondido, Oceanside and San Diego.

"We have so many great dogs waiting to give a new family unconditional love," said San Diego Humane Society Chief Operating Officer Jessica Des Lauriers. "That's why we are waiving adoption fees this Friday through Sunday in hopes of having people open their hearts and homes, so that we can make space for more animals who need our help right now."

Benefits of Adopting from San Diego Humane Society:

- You know you're getting an animal who has been assessed behaviorally and medically.
- San Diego Humane Society offers an adoption guarantee, training advice, pet supplies and educational information to support pet families for the lifespan of the animal.
- You can also call our Behavior Helpline to speak with an expert about any behavior or training concerns.
- By opening your home to an animal, you'll help create space in the shelter for other animals in need!

San Diego Humane Society is open for walk-in adoptions Tuesday – Sunday, 10 a.m. – 6 p.m. at its campuses in Escondido, El Cajon, Oceanside and San Diego. To view animals currently available for adoption, visit sdhumane.org/adopt.
