When San Diego Gives, Donations Go Twice as Far

Double your impact for animals in need during special day of giving on Sept. 8, 2022

SAN DIEGO — San Diegans have a unique opportunity this week to give local and double their impact for animals. During San Diego Gives on Sept. 8, 2022**, each dollar donated to San Diego Humane Society will be matched up to $50,000,** thanks to our generous friends at The JEM Project**.**

San Diego Gives is a 24-hour fundraising campaign, focusing on investing in our community by supporting local nonprofits.

Each dollar donated to San Diego Humane Society will help:

- **Provide safe shelter** for homeless animals.
- **Perform lifesaving veterinary care** for pets and wildlife.
- **Rescue animals** during emergency situations.
- **Offer free and low-cost services** for pet-owners in need.
- **Ensure San Diego County "Stays at Zero" euthanasia** of healthy or treatable shelter animals.

"This is a great time to make an impact for animals." said Senior Vice President and Chief Philanthropy & Communications Brian Daugherty. "There are 40,000 animals right here in San Diego who are depending on us this year and now is the perfect opportunity for San Diegans to come together to make a life-changing difference for animals."
