

Benefits of Licensing

- Licensed pets are more likely to be reunited with their owners if they become lost.
- Your licensing fee provides care to stray and homeless animals and helps eliminate animal cruelty in your community.
- Important health information about your pet can be placed in their licensing records.
- Licensing provides proof of animal ownership.
- It's the law. Both California and municipal/city codes require all dogs 4+ months to be licensed. Failure to comply is a misdemeanor and could result in an administrative citation.

Steps to License

- Complete the licensing form on the other side, or download at sdhumane.org or pethub.com/SanDiego/about.
- Provide proof of current rabies vaccine. The license cannot exceed the rabies vaccine expiration date.
- Provide proof of alteration (i.e. spay/neuter); otherwise owner will be charged at the unaltered rate.
- Visit any San Diego Humane Society campus or mail payment to the Licensing Department at 5480 Gaines St., San Diego, 92110. For additional questions, call 619-243-3420 or email license@sdhumane.org.
