

adopt MOLLY

Spayed Female • 12 yrs • ID #52647

HI, I'M MOLLY. I'm a sweet senior lady who loves to be petted- I am quick to roll over for a belly rub and I'm a true people-lover. The staff and volunteers say I am easy to walk and gently take treats offered to me. I am a confident lady and while I am usually fine with supervision around other dogs, I would prefer to be the only dog in the home. I have been at the shelter since July 2018 and am ready and deserving (R.A.D.) of a loving home! Please call to learn more or visit the Oceanside campus to meet me today!
